"Friend" is a song performed by Japanese musical duo J Soul Brothers and written by Shingo Ohwashi and composed by Ikuya Sawaki.. and the first single from the 10th anniversary album Friends released in 2002. It's produced by their friend Hiroh Sakurai and was performed by Shosuke Tanihara and Daisuke Suzuki. It's a love song about a relationship of 10 years. "Friend" is the first song the group has released since the re-release of their debut album with an English language version and a music video.. Notes Category:Japanese pop music groups Category:Japanese boy bands Category:Musical groups from Tokyo Category:Musical groups established in 2001 Category:Universal Music Japan artistsElectrical outlets are generally spaced from one another by a distance generally equal to the length of a conventional outlet or by a distance equal to a distance corresponding to the centerline between the centerlines of two outlets. The centerline is generally the midpoint of the longest dimension of the outlet. Conventional electrical outlet boxes are sized for the outlet they contain. In some cases the electrical outlet is provided in a standard sized box. In other cases, electrical outlet boxes are custom sized to hold a particular outlet. In many cases, multiple wall plates are required to properly cover the electrical outlet boxes.Footwear Footwear We are not affiliated with the brand XIX LTD or XIX INTERNATIONAL LIMITED in any way whatsoever.
